

Vote for Open Government Information!

Friday, 20 February 2009 00:00

The Sunlight Foundation has a new website called [OOGL: Open Our Government List](#) , for you to vote 3 times and submit ideas for what the President's Open Government Directive should address. Make one of your votes for

[Digital Deposit of Government Information to Libraries](#)

!

The Sunlight Foundation also has a website called [Show Us the Data](#) ! Vote 3 times for what you you think should be the "Most Wanted Government Documents, Reports or Data Sets" that should be available on the web. Please make two of your votes go toward

[PACER](#)

and

[CRS Reports](#)

!
